A repairer from our network that we have chosen to repair your car.

1.2 Market value

The cost of replacing your car with one of the same make, model, age, mileage and condition immediately before the loss, based on recognised motor trade guides.

1.3 Young driver

Any person driving your car who is under 25 years of age.

1.4 Inexperienced driver

Any person driving your car who has held a full driving licence for less than 2 years.

1.5 Your car

The vehicle shown on your schedule, including its standard accessories and spare parts.

2. Section 1 - Liability to other people

2.1 What we cover

We will cover your legal liability for death or injury to other people without limit, and for damage to other people's property up to £20,000,000 for any one claim, arising from an accident involving your car.

2.2 Driving other cars

If your certificate allows it, you may drive another private car not owned by you or hired to you, with the owner's permission, for third party cover only. This extension applies only if you are aged 25 or over, and does not apply to young drivers named on your policy.

3. Section 2 - Loss of or damage to your car

3.1 What we cover

We will pay for loss of or damage to your car caused by accident, fire, theft or attempted theft, up to its market value.

3.2 New car replacement

If your car is less than 12 months old, you are its first registered owner, and it is written off or stolen and not recovered, we will replace it with a new car of the same make and model, if one is available.

3.3 Courtesy car

While your car is being repaired by an approved repairer under this section, we will provide a small hatchback courtesy car, subject to availability. A courtesy car is not provided if your car is written off or stolen and not recovered.

3.4 In-car entertainment

We will pay up to £500 for loss of or damage to audio, navigation or entertainment equipment permanently fitted to your car.

3.5 What we do not cover

Theft or attempted theft if the keys were left in or on the car, or the car was left unlocked; wear and tear; mechanical, electrical or computer breakdown; damage to tyres caused by braking, punctures or cuts; or loss of value after a repair.

4. Section 3 - Windscreen and glass

Fictional document created for a software demonstration. Not a real insurance product.

We will pay to repair or replace broken glass in your car's windscreen, windows and sunroof. Using our approved glass supplier, there is no limit to the amount we will pay. If you use another supplier, we will pay up to £150. A windscreen claim does not affect your no claims discount.

5. Section 4 - Personal accident and medical expenses

5.1 Personal accident

We will pay £5,000 if you or your spouse or partner is accidentally killed, or suffers loss of a limb or permanent loss of sight, while travelling in or getting into or out of your car.

5.2 Medical expenses

We will pay medical expenses up to £250 for each person injured while travelling in your car.

6. Section 5 - Personal belongings

We will pay up to £300 for personal belongings in your car that are lost or damaged by accident, fire, theft or attempted theft. We do not cover money, tickets, documents, mobile phones or goods carried for business.

7. Section 6 - Using your car abroad

Your policy gives the same cover you have in the UK while you are driving in any country of the European Union, plus Norway, Switzerland and Iceland, for up to 90 days on any one trip.

8. No claims discount

If no claim is made during the period of insurance, your no claims discount will increase at renewal. If a claim is made where we cannot recover our costs, your discount will be reduced.

If your schedule shows your no claims discount is protected, you may make two claims in any three-year period before your discount is affected. Protection does not protect the overall price of your insurance.

The following excesses apply to claims under Section 2 (loss or damage) and Section 3 (glass). Excesses for young and inexperienced drivers are added to the compulsory excess.

Excess	Amount
Compulsory excess	£300
