You must keep your home in good repair and take sensible steps to avoid loss or damage.

If your home will be unoccupied for more than 45 days in a row, you must tell us. Unless we agree otherwise, we will not cover theft, escape of water, malicious damage or accidental damage while your home is unoccupied.

2.3 Cooling-off period

You have 14 days from receiving your policy to cancel and get a full refund, as long as you have not made a claim. If you cancel later, we will refund the unused part of your premium less a £30 cancellation charge.

3. Part 3 - Your buildings

We cover your buildings against loss or damage from fire, lightning, explosion, storm, flood, escape of water, theft, subsidence, heave, landslip, impact and falling trees.

3.1 Somewhere to stay

If your home cannot be lived in after an insured event, we will pay for alternative accommodation of a similar standard, up to 15% of your buildings sum insured or £50,000, whichever is lower.

3.2 Finding a leak

We will pay up to £3,000 to find where water is escaping from and to repair the damage caused while finding it.

We do not cover storm damage to gates, fences or hedges; damage caused by a gradual leak over a period of time; or subsidence caused by the settlement of new structures within 10 years of construction.
